Strip and cover boot infill board, repaint catch and fit new hinges.
Rear blind required spring re-winding to operate correctly.
Make 2 off brackets for trumpet horns, fit and paint.
Fit speedo cable and tacho cable under dash.
Get gearbox and handbrake gators made and fit.
Seal chrome guttering trim to bodywork.
Fit bonnet
Touch up any paint marks and polish.
Fit window wipers, arms & blades.
Mount switches to underside of dash, kill switch, hazard etc.
Fit brake light operating spring.
Complete windscreen opener.
Fit new quarter light seal to drivers door.

Parts:-
1 sheet Plywood
hinges
upholsterer's fee for stitching

total parts cost £117.00
total hours 60 @ £18 = £1080.00
Overall total = £1197.00

INVOICE

Keiran Boyle

Car – MGSA
Date work completed – up to 28th February 2008

Description of work:

To make new right hand top section bonnet.

Cut out pattern from flat sheet of steel. Roll into shape and bend to suit car. Strip old hinge from the old bonnet, weld into place on new. Fit to car, cut other end to suit line of car, remove and weld hinge into place. Rebuild and fit to car to trim to length, front & rear. De-bur and dress all welds suitable for light filling prior to painting.

Body preparation for final paint.

Wet sand the body and body panels for final painting. Completely strip car to component parts, Knife all imperfections prior transport to painters.

Clean chassis and touch up any scratches/chips.

Make new hardwood packers for body to chassis.

Start engine to test clutch, clutch found to be dragging, decision made to remove Clutch for further inspection. After removal, some signs of cork on flywheel, cleaned off, new gaskets made for engine to gearbox and starter to gearbox. Gearbox re-installed into the car. Clutch pedal rod bush required machining.

Throttle pedal and link arm – weld up holes in the pedal and drill complete with shaft to suitable size.

Body returned from painters, Monday 25th Feb., Paint underside of body where jig was and underside of angle iron prior to fitting onto chassis. Bolt chassis to body, seal front body to bulkhead. Fit all new floors in place, rear seat well and rear seat back.

Seat back leatherette covered rear parcel shelf and vertical part covered with headlining cloth.

Total hours – 74 @ £18.00/hr = £1332.00

INVOICE
