MERCEDES - BENZ
CLUB OF AMERICA

MERCEDES–BENZ CLUB OF AMERICA, INC.

C. ROBERT BELTZ, NATIONAL PRESIDENT

Dear Mercedes-Benz Enthusiast:

Welcome to the Mercedes-Benz Club of America. You have joined more than 21,000 automotive enthusiasts who share the pride and pleasure of owning the finest automobiles in the world. MBCA is more than merely a conduit to technical information. For many it is a lifestyle of participation and comraderie.

In your membership kit you will find **The Star** Magazine. We are proud that **The Star** has won many national awards and is the finest single marque automotive perodical in the world. You will be receiving **The Star** bi-monthly. It provides a candy store of information about Mercedes-Benz automobiles.

As a member of the Mercedes-Benz Club of America, you have been assigned to a local Section covering your geographical area. You will receive the Section Newsletter which provides important information concerning the newest developments in the world of Mercedes-Benz. It also informs you concerning Section meetings and activities that I encourage you to attend.

We are proud of our Club. It will return many pleasures to you in direct proportion to your contribution and participation.

Although MBCA members cut across the religious and ethnic diversity of this great nation, they are kind and caring people. The family of The Mercedes-Benz Club of America and your National Board of Directors extend a warm welcome. Enjoy!

Sincerely,

C. Robert Beltz
National President
