To Whom It May Concern:

I have examined and appraised a 1958 Mercedes 190SL Convertible VIN NO. A121042-7500912 for First NH Bank of 1 Hampshire Plaza, Manchester, N.H.

Mercedes SL sports convertibles have been and remain today one of the most highly sought after sports cars. The SL continues to accelerate in price, demand and marketability. This 1958 Mercedes 190SL is a first year model and predecessor to the current popularity trend. It is an excellent original vehicle having been exceptionally well maintained with all popular options. Of particular note is the rarity of this model in an original rust free condition.
