IMPORTANT WARNINGS

I - This booklet is given to you to assure you of long and trouble - free operation of your Ferrari Automobile - Please follow it diligently.

II - If irregularities are noticed when the motor vehicle is operating it is advisable to resort promptly to Ferrari authorized Service Agents.

III - Original Ferrari parts must always be used.

IV - The use of lubricants indicated by Ferrari is necessary for the lubrication of the engine and other parts of the motor vehicle.

V - Requests for instructions, repairs and spare parts, will have to be addressed to the Ferrari authorized Agents or directly to Ferrari Head Office, specifying: model, chassis number and all the data concerning the request.

RECOMMANDATIONS IMPORTANTES

I - Ce carnet est donné au client comme guide pour assurer une longue vie à la voiture. Nous suggérons de s'y conformer soigneusement.

II - Si dans le fonctionnement du véhicule des irrégularités viendraient à être notées, il est conseillé de s'adresser immédiatement dans un Centre Autorisé par la Maison pour le service après-vente.

III - Il faut toujours employer des pièces de rechange d'origine Ferrari

IV - Il est nécessaire pour la lubrification du moteur et des autres organes de la voiture, d'employer des lubrifiants indiqués par Ferrari

V - Les demandes d'instructions, réparations et pièces de rechange doivent être adressées aux Centre Autorisés Ferrari ou directment au Siège Social de Ferrari en indiquant le type de la voiture, le numéro de chassis et enfin toutes les données qui peuvent intéresser la demande.

WICHTIGE HINWEISE

I - Dieses Heft wird dem Kunden als Führer zur Gewährleistung einer langen Lebensdauer des Personenwagens gegeben. Wir empfehlen, sich sorgfältig daran zu halten.

II - Falls Funktionsstörungen am Fahrzeug festgestellt werden, empfehlen wir, sich sofort in Verbindung mit dem Kundendienst der Vertragswerkstätten des Hauses zu setzen.

III - Es müssen immer Originalersatzteile Ferrari verwendet werden.

IV - Für die Schmierung des Motors und der anderen Aggregaten des Personenwagens müssen die von Ferrari angegebenen Schmiermittel verwendet werden.

V - Die Anforderungen von Anleitungen, Reparaturen und Ersatzteilen sind an die Vertragswerkstätten Ferrari bzw. direkt an den Sitz von Ferrari zu richten, wobei der Wagentyp, die Fahrgestell-Nummer sowie sämtliche Angaben, die die Anforderung betreffen können, anzugeben sind.

Io sottoscritto dichiaro che accetto i termini della garanzia Ferrari contenuti nel presente libretto. Nel prendere in consegna la presente vettura che ho ispezionato trovandola in condizioni soddisfacenti ha ricevuto una Tessera di garanzia e Piano di Manutenzione, un libretto di Uso e Manutenzione, un libretto Organizzazione di Vendita e Assistenza, una borsa attrezzi.

I do hereby certify that I agree to the terms and conditions of the Ferrari warranties contained in this booklet. While taking delivery of this car, which I have inspected and appears to be in satisfactory condition. I have received a copy of the Owner's Warranty and Service Book, Owner's Manual, Service Organization Booklet and tool Kit.

Je soussigné déclare d'accepter les termes et conditions de la garantie Ferrari contenus dans ce Carnet. Au moment de la livraison du véhicule que j'ai examiné et qui apparait en bonnes conditions, il a été remis au soussigné: un Carnet de garantie et d'Entretien, une notice d'Entretien, un livret Organisation de Vente et de Service et une trousse pourte outils.

Ich Unterzeichnete bescheinige die Garantiebestimmungen der Fa. Ferrari, die im Buch näher beschrieben sind. Dem Unterzeichnenden, der das besichtigte Fahrzeug in einem zufriedenstellenden Zustand übernommen hat, wurden die Garantie - Bescheinigungen, eine Gebrauchtsanleitung, ein Kundendienst heft für Wartungs- und Verkaufsstellen und das Werkzeug - paket ausgehändigt.

JURISDICTION

— In case of a dispute where **FERRARI** is summoned before Court, the Court of Law in Modena (Italy) is exclusively competent; drafts, acceptances of settlement, dispatches without or with C.O.D. do not constitute a derogation from this clause of jurisdiction even in case **FERRARI** should be pursued for concession or continence of cause.
When **FERRARI** is the plaintiff, it will be able to recur both to the Court of Law in Modena and to that where the other part resides.

NOTE: For the warranty, the customer must recur to the **FERRARI** authorized Service Agents.
The materials replaced during the warranty period are belonging to **FERRARI**.
The factory is exempt from any responsibility and obligation for any accident to the people or things, which might occur by or during the use of supplied goods, and in consequence of or in dependence from the same; this cause is valid even during the testing and even if an accident results from defect of materials or workmanship.

JURIDICTION

— En cas de contestation, où la maison **FERRARI** serait assignée, le Tribunal de Modène sera seul compétent: les traites, acceptations de réglement, envois sans ou contre remboursement, ne pourront constituer en aucun cas une dérogation à cette clause concernant la juridiction, même au cas où notre maison serait appelée en justice pour connexion de cause ou par la nature de son objet.
Au cas où la maison **FERRARI** serait la requérante elle pourra recourir soit au Tribunal de Modène, soit à celui du lieu où le poursuivi réside.

N.B.: Pour la garantie MM. les Clients doivent s'adresser aux établissements autorisés par notre maison pour le service d'assistance.
Les pièces remplacées en garantie restent de propriété de la **FERRARI**.
L'Usine est exonérée de toute responsabilité et obligations se rapportant à des accidents survenus aux personnes et aux choses qui peuvent survenir pour ou durant l'utilisation de la marchandise fournie, et pour cause et par faute de celle-ci; ceci même durant les essais et également si l'incident dérive d'un défaut de construction ou de matériel.

GERICHTSTAND UND ERFÜLLUNGSORT

— Bei Beanstandungen, bei den **FERRARI** Beklagte ist, ist ausschließlich das Gericht Modena zuständig; die Tratten Regelungsbestätigungen, Lieferungen frei oder per Nachnahme führen zu keiner Abweichung von dieser Zuständigkeitsklausel;
Wenn **FERRARI** als Klägerin erscheint, dann kann sie sowohl das Gericht Modena als auch das Gericht des Wohnortes des Beklagten anrufen.

P.S.: Für die Garantie muß sich der Kunde an den Kundendienst der Vertragswerkstätte des Hauses wenden.
Die in der Garantie ersetzten Materialien bleiben Eigentum von **FERRARI**. Das Werk ist von jeder Verantwortung und Verpflichtung für jeglichen Unfall an Personen oder Sachen, die sich wegen oder während der Verwendung der gelieferten Ware und wegen oder im Zusammenhang der Ware selbst ereignen können befreit; dies gilt auch während der Abnahme und auch wenn der Unfall sich wegen Herstellungs oder Materialfehler ereignet hat.

FREE SERVICE COUPONS

Within the applicability of the **FERRARI** warranty, the Owner of a **FERRARI** car is entiled to 2 free service coupons, to be used as specified in the warranty conditions.

Coupon A – (labor free of charge) for maintenance and adjustment of mechanical and body components;

Coupon C – (completely free) for checkings and maintenance of the anti–corrosion treatment.

FAILURE TO HAVE THE SERVICES PERFORMED WILL VOID THE WARRANTY

COUPONS POUR ASSISTANCE GRATUITE

Chaque possesseur d'une automobile **FERRARI** dispose durant la période de garantie de 2 coupons pour l'assistance gratuite, qui sont à utiliser selon les conditions de la garantie.

Coupon A – (main d'oeuvre gratuite) pour opérations de mise au point de mécanique et de carrosserie;

Coupon C – (complétement gratuit) pour la vérification et manutention du traitement anticorrosion.

LA NON–EXÉCUTION DES COUPONS ANNULE LA GARANTIE

"COUPONS" FÜR KOSTENLOSEN KUNDENDIENST

Jeder **FERRARI** Fahrzeughalter verfügt während der Garantiezeit über 2 "Coupons" für kostenlosen Kundendienst, die wie aus den Garantiebedingen ersichtlich zu benutzen sind.

Coupon A – (Arbeitslohn kostenlos) für die Durchführung der mechanischen und Karosserie Arbeiten;

Coupon C – (Kostenloser Kundendienst) für die Kontrolle und ev. Nachbehandlung gegen Rost.

DIE GARANTIE ERLISCHT WENN DIE COUPONS NICHT VERWENDET WERDEN

Si attesta che tutte le operazioni relative al Coupon in Garanzia Km. **2.000 ÷ 2.500** sono state eseguite.
I do hereby certify that all the items on the **1.200 ÷ 1.500** Miles Free Service Coupon have been performed.
Nous certifions que toutes les opérations dont à ce Coupon de Garantie Km. **2.000 ÷ 2.500** ont été effectuées.
Es wird bestätigt, daß alle Arbeiten für den kostenlosen Coupon **2.000 ÷ 2.500** Km durchgeführt worden sind.

JURISDICTION

— In case of a dispute where **FERRARI** is summoned before Court, the Court of Law in Modena (Italy) is exclusively competent; drafts, acceptances of settlement, dispatches without or with C.O.D. do not constitute a derogation from this clause of jurisdiction even in case **FERRARI** should be pursued for concession or continence of cause.
When **FERRARI** is the plaintiff, it will be able to recur both to the Court of Law in Modena and to that where the other part resides.

NOTE: For the warranty, the customer must recur to the **FERRARI** authorized Service Agents.
The materials replaced during the warranty period are belonging to **FERRARI**.
The factory is exempt from any responsibility and obligation for any accident to the people or things, which might occur by or during the use of supplied goods, and in consequence of or in dependence from the same; this cause is valid even during the testing and even if an accident results from defect of materials or workmanship.

JURIDICTION

— En cas de contestation, où la maison **FERRARI** serait assignée, le Tribunal de Modène sera seul compétent: les traites, acceptations de réglement, envois sans ou contre remboursement, ne pourront constituer en aucun cas une dérogation à cette clause concernant la juridiction, même au cas où notre maison serait appelée en justice pour connexion de cause ou par la nature de son objet.
Au cas où la maison **FERRARI** serait la requérante elle pourra recourir soit au Tribunal de Modène, soit à celui du lieu où le poursuivi réside.

N.B.: Pour la garantie MM. les Clients doivent s'adresser aux établissements autorisés par notre maison pour le service d'assistance.
Les pièces remplacées en garantie restent de propriété de la **FERRARI**.
L'Usine est exonérée de toute responsabilité et obligations se rapportant à des accidents survenus aux personnes et aux choses qui peuvent survenir pour ou durant l'utilisation de la marchandise fournie, et pour cause et par faute de celle-ci; ceci même durant les essais et également si l'incident dérive d'un défaut de construction ou de matériel.

The factory is exempt from any responsibility and obligation for any accident to the people or things, which might occur by or during the use of supplied goods, and in consequence of or in dependence from the same; this cause is valid even during the testing and even if an accident results from defect of materials or workmanship.

JURIDICTION

— En cas de contestation, où la maison **FERRARI** serait assignée, le Tribunal de Modène sera seul compétent: les traites, acceptations de réglement, envois sans ou contre remboursement, ne pourront constituer en aucun cas une dérogation à cette clause concernant la juridiction, même au cas où notre maison serait appelée en justice pour connexion de cause ou par la nature de son objet. Au cas où la maison **FERRARI** serait la requérante elle pourra recourir soit au Tribunal de Modène, soit à celui du lieu où le poursuivi réside.

N.B.: Pour la garantie MM. les Clients doivent s'adresser aux établissements autorisés par notre maison pour le service d'assistance.
Les pièces remplacées en garantie restent de propriété de la **FERRARI**.
L'Usine est exonérée de toute responsabilité et obligations se rapportant à des accidents survenus aux personnes et aux choses qui peuvent survenir pour ou durant l'utilisation de la marchandise fournie, et pour cause et par faute de celle-ci; ceci même durant les essais et également si l'incident dérive d'un défaut de construction ou de matériel.

80.000 KM - COUPON A PAGAMENTO

- ☐ 1 - Sostituire l'olio motore e filtro (almeno ogni 12 mesi).
- ☐ 3 - Sostituire l'olio nel cambio e differenziale.
- ☐ 4 - Batteria: controllare le condizioni di carica, le connessioni e il livello elettrolito.
- ☐ 5 - Controllare il livello olio freni e frizione idraulica (eventuale spurgo). Sostituire almeno ogni 12 mesi.
- ☐ 6 - Controllare lo stato di usura delle superfici frenanti (dischi e pastiglie), sostituire quando necessario.
- ☐ 7 - Ispezionare l'impianto freni: pompe, tubi, calipers, tubo sul servofreno, etc... Verifica efficienza spia sul cruscotto.
- ☐ 8 - Controllare la tensione delle cinghie dell'alternatore, pompa acqua e compressore aria condizionata. Regolare se necessario.
- ☐ 10 - Allineare il pedale frizione (comando meccanico senza giuoco).
- ☐ 11 - Controllare il giuoco del pedale freno (regolare se necessario). Registrare e lubrificare il comando freno a mano.
- ☐ 12 - Sostituire il filtro aria.
- ☐ 13 - Controllare le candele (sostituire se necessario), spazzole e collegamenti accensione.
- ☐ 14 - Controllare il giuoco valvole e il serraggio teste cilindri (regolare se necessario)
- ☐ 16 - Sostituire le cinghie della distribuzione (ogni 35.000 ÷ 45.000 Km). Almeno ogni 24 mesi.
- ☐ 17 - Controllare la pompa acqua, tubi e collegamenti impianto raffreddamento.
- ☐ 18 - Pulire l'impianto blow-by.
- ☐ 19 - Sostituire il filtro dell'impianto alimentazione.
- ☐ 20 - Controllare tubazioni e collegamenti impianto iniezione (anche sistema aria secondaria per versione Svizzera).
- ☐ 21 - Controllare la carburazione (CO-HC). Regolare se necessario.
- ☐ 22 - Verifica serraggio cuscinetti ruote anteriori.
- ☐ 23 - Controllare le articolazioni delle sospensioni anteriori e posteriori.
- ☐ 24 - Controllare e regolare il giuoco degli organi di direzione, la protezione degli snodi, le cuffie sulla cremagliera, sulle leve dello sterzo e sui semiassi (eventuale lubrificazione).
- ☐ 25 - Controllare e lubrificare comandi e registri in genere, cerniere, porte e cofani (almeno 1 volta all'anno).
- ☐ 26 - Controllare il motorino avviamento e l'alternatore (eventuale smontaggio).
- ☐ 27 - Controllare l'impianto aria condizionata (sostituzione annuale freon e filtro) e il livello olio nei compressore.
- ☐ 28 - Controllare l'assetto della vettura (regolare se necessario).
- ☐ 29 - Controllare il corretto funzionamento e fissaggio dei sedili, appoggiatesta e cinture di sicurezza.
- ☐ 30 - Serrare le viti, la bulloneria (in particolare quella dell'impianto di scarico), le fascette in genere anche sulla carrozzeria.
- ☐ — - Eseguiti i lavori, controllare lo stato dei pneumatici, la pressione, compresa la ruota di scorta, il serraggio delle ruote, gli indicatori di direzione, gli stop, quindi provare la vettura in strada.

50,000 MILES - CHARGEABLE SERVICE COUPON

- ☑ 1 - Change engine oil and filter (every 12 months maximum).
- ☑ 3 - Replace gearbox and differential oil.
- ☑ 4 - Battery: check charge conditions, connections and electrolyte level.
- ☑ 5 - Check brake fluid and hydraulic clutch level (bleed system if necessary). Replace oil every 12 months maximum.
- ☑ 6 - Check brake pads and discs for wear (change if necessary).
- ☑ 7 - Inspect braking system: pipes, calipers, hose to servo etc... Check warning light effectiveness on dashboard.
- ☑ 8 - Check belts of A.C. compressor, water pump and alternator belts (Adjust if necessary).
- ☐ 10 - Adjust clutch pedal position (self-adjusting mechanical control).
- ☑ 11 - Check play on brake pedal (adjust if necessary); adjust and lubricate handbrake control.
- ☑ 12 - Replace air cleaner element.
- ☑ 13 - Check sparking plugs (replace if necessary), rotors and ignition connections.
- ☑ 14 - Check and adjust valves' clearance and cylinder heads torque
- ☑ 16 - Replace timing belts (every 21,750 ÷ 28,000 miles or 24 months maximum).
- ☑ 17 - Inspect water pump, lines and connections of cooling system.
- ☑ 18 - Clean blow-by system.
- ☑ 19 - Replace the fuel filter.
- ☑ 20 - Inspect pipes and connections of fuel injection system (also secondary air injection system for Suisse version).
- ☑ 21 - Check carburation (CO-HC). Adjust if necessary.
- ☑ 22 - Check front wheel bearings tightening.
- ☑ 23 - Check front and rear suspension articulated joints.
- ☑ 24 - Check and adjust steering play; check for leaks and conditions joints protections and gaiters on steering rack, on levers and on drive shafts (lubricate if necessary).
- ☑ 25 - Check and lubricate controls, doors, boot, bonnet and engine lid hinges; (at least once per year).
- ☑ 26 - Inspect starter motor and alternator (remove if necessary).
- ☑ 27 - Inspect air conditioner system (change freon and drier filter every year) check oil compressor level.
- ☑ 28 - Check suspension geometry (adjust if necessary).
- ☑ 29 - Check seat belts, seats and headrests fastenings and anchorages.
- ☑ 30 - Check and tighten all nuts, bolts (in particular all connections of the exhaust system), all clamps, also on the body.
- ☑ — - After carrying out the service, check tyres' pressure and their conditions including spare wheel; check tightening of wheel nuts, check lights, direction and stop lights, then road test the car.

JURISDICTION

— In case of a dispute where **FERRARI** is summoned before Court, the Court of Law in Modena (Italy) is exclusively competent; drafts, acceptances of settlement, dispatches without or with C.O.D. do not constitute a derogation from this clause of jurisdiction even in case **FERRARI** should be pursued for concession or continence of cause.
When **FERRARI** is the plaintiff, it will be able to recur both to the Court of Law in Modena and to that where the other part resides.

NOTE: For the warranty, the customer must recur to the **FERRARI** authorized Service Agents.
The materials replaced during the warranty period are belonging to **FERRARI**.
The factory is exempt from any responsibility and obligation for any accident to the people or things, which might occur by or during the use of supplied goods, and in consequence of or in dependence from the same; this cause is valid even during the testing and even if an accident results from defect of materials or workmanship.

JURISDICTION

— In case of a dispute where **FERRARI** is summoned before Court, the Court of Law in Modena (Italy) is exclusively competent; drafts, acceptances of settlement, dispatches without or with C.O.D. do not constitute a derogation from this clause of jurisdiction even in case **FERRARI** should be pursued for concession or continence of cause.
When **FERRARI** is the plaintiff, it will be able to recur both to the Court of Law in Modena and to that where the other part resides.

NOTE: For the warranty, the customer must recur to the **FERRARI** authorized Service Agents.
The materials replaced during the warranty period are belonging to **FERRARI**.
The factory is exempt from any responsibility and obligation for any accident to the people or things, which might occur by or during the use of supplied goods, and in consequence of or in dependence from the same; this cause is valid even during the testing and even if an accident results from defect of materials or workmanship.

JURIDICTION

— En cas de contestation, où la maison **FERRARI** serait assignée, le Tribunal de Modène sera seul compétent: les traites, acceptations de réglement, envois sans ou contre remboursement, ne pourront constituer en aucun cas une dérogation à cette clause concernant la juridiction, même au cas où notre maison serait appelée en justice pour connexion de cause ou par la nature de son objet.
Au cas où la maison **FERRARI** serait la requérante elle pourra recourir soit au Tribunal de Modène, soit à celui du lieu où le poursuivi réside.

N.B.: Pour la garantie MM. les Clients doivent s'adresser aux établissements autorisés par notre maison pour le service d'assistance.
Les pièces remplacées en garantie restent de propriété de la **FERRARI**.
L'Usine est exonérée de toute responsabilité et obligations se rapportant à des accidents survenus aux personnes et aux choses qui peuvent survenir pour ou durant l'utilisation de la marchandise fournie, et pour cause et par faute de celle-ci; ceci même durant les essais et également si l'incident dérive d'un défaut de construction ou de matériel.
