History Synopsis

Jaguar E type V12 Series III Roadster

Chassis Number : UE1S259826

Manufactured : 1974

Registration : FUE 38M

One of the last 250 E types made and supplied to [redacted] *of Florida in Nov 1974 (There is a copy of BL Warranty Card on file & the original service voucher booklet stamped through to 1978 @ 37.764 miles)*

In 1984 he relinquished ownership to [redacted] *again in Florida of Gold Coast Studios. They registered the E type "OUR V12" – there is a photo in the history file of the car wearing this registration*

Repatriated to the UK in 1990 - 70218 miles – for [redacted] *(01746 710 572) who entrusted dealer Paul Householder to find him a solid car without rust for him to rebuild*

The fourth owners were couple [redacted] *who bought her in*

GraemeHunt Ltd

We purchased the car in 2010 and completed the following works:-

5 Speed gearbox cost - £6345 + fitting

Gas shock absorbers

New Springs (9" & 325llbs)

New Bushes

Becker Cascade Stereo upgrade £5000

Complete retrim:-

Carpets to include Boot

Quilted sills, central tunnel & rear load deck

Door cards also in hide

Bentley hides were used in a colour to match my Leica camera case

It should be noted that upon strip down for the retrim the tub of this car remains absolutely solid
