Dear Mr Barlow

RE: JAGUAR ENGINE NUMBER 7P 14323 LB

75 17084 L.A.

Thank you for your recent letter.

Please find enclosed a Photostat copy of the V-12 engine specification, which I hope will answer most of your questions. I am also forwarding specification details on the V-12 E Type, which confirms the vehicle was originally fitted with a Borg Warner Model 12 automatic transmission.

Unfortunately, I am unable to pinpoint this engine number in our build records. However, the serial number would suggest it was manufactured between 1973 and 1975.

I hope this information is of use to you.

Yours sincerely

A Harris
