ORDERING BY MAIL

Whenever possible use the enclosed order form on page 47. Feel free to make a copy of this form. Be sure to include all pertinent information: Jaguar type, year, model, interior color, lefthand or righthand drive, 6 or 12 cylinder, manual or automatic transmission, embossed or non-embossed seats, etc. If you are not sure of the exact color for your interior, please call or write for material and color samples.

PAYING FOR YOUR PARTS

Visa and Mastercard are accepted. Credit card orders must have all account numbers, expiration dates, and most importantly, the credit card billing address for authorization purposes. For payments sent with orders, certified checks or money orders are preferred since personal checks will cause delay. C.O.D. orders are for in stock items only and require check upon delivery. Special orders (non-stock items) are not returnable, not refundable and require a 50% deposit at the time the order is placed.

SHIPPING

Most orders are shipped UPS. Please include $7.70 for shipping except for complete trim kits. They require $40.00 in the continental U.S.A. C.O.D. orders require cash, certified or cashiers check. Please include $3.50 for the C.O.D. charge. All orders shipped to Canada and to international destinations will be by parcel post, UPS, Federal Express or commercial carrier. Please ask for shipping quotes for international shipments. Next day air or second day air rates are available upon request. Items too large or heavy for UPS must be shipped truck, freight collect and paid for in advance. In all cases, when you receive your order it is important to check the shipment against the invoice (taped to the box) in the presence of the carrier. Refer to the *Damaged or Lost Parts* section if there are any problems.

RETURNS, CANCELLATIONS & CLAIMS

1. If you receive damaged or incorrect parts, please call for a return authorization number. Return authorization numbers are good for 30 days.
2. No returned merchandise will be accepted without a return authorization number.
3. Stock items can be cancelled prior to shipping only.
4. Special orders (non-stock) are considered final and can not be cancelled or returned. We will advise you if a part is a "special order".
5. No returns will be accepted without the invoice.
6. All returns must be sent to us freight prepaid. No C.O.D.'s will be accepted.
7. No returns or damage claims will be accepted after 30 days.
8. Any returned parts must be in new condition.
9. Cut yard goods are considered "special order" and are not returnable.

10. Should you recieve a defective part, we reserve the right to repair or replace it.
